   - (Faculty) Committee on Athletics Appointee
     - Meeting once a month
     - Need one student representative
       - Lilly Pieper
   - Nancy Thompson- Review of the Point System and Judicial Process
     - Process came out of a student request for a more transparent process 10 years ago
       - Was embraced at the time
     - Time to review the system- Look out for an email from Nancy Thompson to the community in form a committee to review the system
       - Do we want a point system?
       - If yes, are the point assigned at the right levels?
       - Is the process of assigning points appropriate?
     - Thank you for coming, Dean Thompson!!
   - Late Night Shuttle Service Concerns
     - Noelle Niznik-
       - The Jitney is the van that runs continuous loops through town.
       - The Late Night Shuttle is the bus on Thursday, Friday, and Saturday nights
         - After 10pm, you have to be over 21 to ride down to town
         - It will take any Hamilton students back up the hill
         - The bus is contracted to run through the year- It is a very expensive program
         - Need 2 student ride-along
           - 1 Jitney staffed person and 1 event staffed person
         - Recently, there have been lots of complaints about treatment of ride-alongs
           - This type of verbal harassment is not a good representation of Hamilton students
         - Please, spread the word that the ride-alongs are just students too
           - They are just doing their job and it’s not fair to them to treat them so poorly.
           - If no ride-alongs are willing to take a shift, then the shuttle will not run.
         - This is not a constant issue, but it is still something that is very much worth noting.
The Central Council of Student Assembly, Hamilton College

**STUDENT ASSEMBLY MEETING**

**SEPTEMBER 21, 2015**

- Just because you have had a few drinks, that does not give you the right to verbally abuse someone.
- Kareem Nugent and Isabel Grieder are going to present a resolution next week discussing potential solutions
- Zach Oscar- Is disciplinary action taken against students who verbally abuse the ride-alongs?
  - Andrew Fischer- The question for the ride-alongs is is it worth writing someone up?
    - The problem is more of an accumulation of verbal harassment, but that means that most of the problems are not documented.
- Katie Conroy- Is there something that the event staff is doing to provoke students or is it just drunk people being drunk?
  - Andrew Fischer- It’s mostly drunk kids being obnoxious on the way back from town.
- Silvia Radulescu- Do we want to consider public shaming?
  - Phoebe Greenwald- How would be do that?
  - Silvia Radulescu- We could have their faces posted somewhere, with a description of their behavior. The school is small enough that people do care about social consequences.
  - Cesar Renero- Public shaming does not promote an atmosphere of trust. We should use the point system to punish people who misbehave on the bus. Maybe we could have a set of consequences- community service, points, etc.
  - Elizabeth Ughetta- What about a 3 strike policy? We could have ride-alongs keep track of who is causing trouble and ban those specific people from the late-night shuttle.
  - Phoebe Greenwald- [In response to Elizabeth] That creates a lot of work for the ride alongs, who already have enough on their plate
    - This might be unpopular, but what if the ride alongs rated their night based on specific criteria?
    - If the night gets below a certain score, then the next night the late-night shuttle wouldn’t run.
  - Alex Hollister- [In response to Elizabeth] It's not a good idea to get rid of the option of taking people back up the hill. We can’t just leave drunk people downtown; it's safer to bring them back up.
- Zach Oscar- Could we get the RA’s involved?
  - RA’s are usually comfortable with conflict, so they might be more comfortable with asserting their authority.
STUDENT ASSEMBLY MEETING
SEPTEMBER 21, 2015

○ That might not necessarily work in all situations, but it might be something to consider.
● Conor Craven- Based on feedback from older students, this year has been the best it has been in a few years, in terms of behavior on the jitney. So have we always had this process of ride alongs? Have ride-alongs always been complaining?
  ○ Phoebe Greenwald- Riding along has always been a bad job.
  ○ Andrew Fischer- The late-nite jitney used to be a van, then a bus, then one ride along, now campus safety won’t do it, so there are 2 ride-alongs.
  ○ Phoebe Greenwald- The late-night jitney has improved, but being a ride-along is still a pretty miserable job.
    ■ What is the best case scenario? We are putting drunk college kids in a moving vehicle, so how much better could it be?
  ○ Andrew Fischer- It was worse in the past, but it is not getting sufficiently better.
  ○ Elizabeth Ughetta- There used to be a driver who had a particularly good disposition to deal with all the drunk people. There is also another driver who used to work as a bouncer at a club in Utica. Could we request certain bus drivers who are willing and able to adequately put up with people?
● Cesar Renero- The problem is with how students treat the ride-alongs.
  ○ If we adopted the 3 strike rule, a punishment for the 3rd strike should be that you are the ride along for a night.
    ■ This idea would create empathy with the sect of students who need to understand what it is like to be the ride-along.

**Amount Requested:** $45,263.76  
**Amount Recommended:** $20,847.97 ($1168.71 from Discretionary)  
**Amount Remaining in Discretionary:** $3407.27

- Philanthropy Committee- Recommended in full.
- React to Film- Reduced based on the lack of an itemized food budget
- Fine Dining- Only fair to fund the food based on limited amount of remaining funds
  - Alexander Popovich- We want to go to a farm that the Fine Dining Society has invested in and buys produce from.
    - Would be good to see our sources
  - Alex Hirsu- How many people do you expect to come?
    - Alexander Popovich- Expect a minimum is 30, but will probably be closer to 40 this year.
  - Katie Conroy- Why was $100 taken out?
    - Alex Hollister- It was taken out because of the trip
    - Evelyn Torsher- How much would it be to take the trip?
      - Alex Hollister- $17.26
  - Andrew Fischer- We are already going into the discretionary fund by $1,000
    - Straw poll of how many people want to fund the trip
  - Jose Olivares- Could we come back to this at the end? They are a good club with good publicity
  - Andrew Fischer- Question is would we be comfortable with less than $3000 in the discretionary
  - Katie Conroy- 40 people can come up with $17
- Bridge and Pinochle- Snacks not funded- It doesn’t add to the event.
- Figure Skating Club- Requesting money for skates. Should look for funds from other sources.
  - Lizzi Tran- Talked with Dave Thompson and he won’t fund the skates because he wants the club to be more competition-oriented.
The Central Council of Student Assembly, Hamilton College

**STUDENT ASSEMBLY MEETING**

**SEPTEMBER 21, 2015**

- Skates would be for the general campus who haven’t skated before
- Silvia Radulescu- What happened to the other skates purchased last semester?
  - Lizzi Tran- We want to increase that supply and get some men’s skates too
- Ilana Schwartz- Would the skates also go to the PE classes?
- Zach Oscar- Would these funds go for rentals?
  - Andrew Fischer- No, its for buying skates.
- Andrew Fischer- We only have $3000 left in the discretionary budget.
- GHO- Bake sales are not funded
  - Maddie Fredricks- Looking for funds for the Nothing But Nets Basket Tournaments. Goal is to raised funds to send malaria nets to communities in need.
  - Alex Hollister- We won’t fund the bake sale, but the event itself looks great!
- Anime Club- They did attend basic leader training, so we are requesting funding.
- French Club- Missed the deadline, did not re-apply as an organization.
- Hogwarts at Hamilton-
  - Zach Oscar- Same issue with these funds as with the Film Production Guild; why should costumes be funded?
    - Members should be able to fund their own costumes if they are dedicated
    - Alex Hollister- Costumes are only $350
      - Also, this event is open to the campus community
    - Phoebe Greenwald- Not fair to ask people to buy their own clubs under the logic “if the members are so dedicated...”
      - It also really helps the campus community
      - Zach Oscar- Agrees with Phoebe if it is only $350 of the total
- Mathletics- Not funding snacks
- French Club, Hogwarts at Hamilton, and Mathletics passed
- SAAC- Never re-registered as a club
- Christopher Dawson Society- Funded in full
- AXL- SA doesn’t fund bottled waters and snacks
  - Cesar Renero- Is the food essential to the event?
  - Alex Hollister- The food requested is for a separate event.
- SAAC, Christopher Dawson Society, and AXL passed
- Finance Club- Magazine subscriptions for the club
  - The subscription would give online access to the members on the Finance Club listserv
  - Andrew Fischer- Why is the price so high?
    - Alex Hollister- It is the costs of the online subscriptions
    - Andrew Fischer- That seems high compared to print prices
  - Noelle Niznik- Print copies of *The Wall Street* came last year and no one came to get them
  - Katie Conroy- Are the three publications different enough to justify the cost?
The Central Council of Student Assembly, Hamilton College

**STUDENT ASSEMBLY MEETING**

**SEPTEMBER 21, 2015**

- Alex Hollister - It’s not fair to give money to other career related societies (ie. Pre-Law Society, etc.) and then deny them funds.
- Cesar Renero - Could they ask the Career Center for funds?
  - Alex Hollister - Not sure.
- Conor Craven - They have a relatively low CPS.
- Mari Hiller - They don’t ask for funds from other things and this is the purpose of their club.
- Alex Hollister - We could just fund 2 instead of all 3
- Passed in full
  - Super Smash Bros - Funded in full
  - Democratic Socialists - Glitch with basic leader training attendance. They did attend, so they are eligible for funds.
  - Bike Coop - Resubmitted a more specific budget this week
  - Women's Rugby - Also re-submitted their budget and cut costs
  - Democratic Socialists, Bike Coop, and Women’s Rugby all passed
  - Hamtrek - Funds would come from next semester’s budget, but planning needs to start now
    - Alex Hollister - The organizers also don’t trust Student Assembly to give them what they need based on past experience.
    - Andrew Fischer - Talked with Noelle Niznik and Silvia Radulescu about having the Athletics department fund Hamtrek because it’s a community event, not just a student event. Questionable to use Student Activities Fee money for an event that has very good community attendance. Students bearing entire cost.
    - Alex Hollister - Athletics refuses to fund this event.
    - Andrew Fischer [in response to the comment about SA not giving them the proper amount of funds] - SA made reasonable cuts to their budget last year.
      - Alex Hollister - They are asking for the same amount we cut them down to last year.
    - Andrew Fischer - Recommend we pass the budget, but talk to them about finding alternative sources of funding in the future.
    - Silvia Radulescu - Is there an entry fee at Hamtrek for professors or members from Clinton?
      - Nancy Thompson - No.
      - Silvia Radulescu - So the Student Activities fee covers them, too?
    - Evelyn Torsher - Can we reconsider this next week (since this is coming out of next semester's budget) and talk to them then?
      - Andrew Fischer - Yes. Not time sensitive.
    - Central Council in favor of tabling proposal for next week.
  - Microfinance - Great event, but not enough funds
    - Alex Hollister - Recommends they look for alternative courses of funds
    - Arthur Williams - Club raises funds to give to local entrepreneurs
These trips are the training for the members so they can make smart business choices when funding local entrepreneurs.

- Silvia Radulescu- When is the conference?
  - Arthur Williams- November
- Silvia Radulescu- When is the registration deadline?
  - Lizzi Tran- Tomorrow for early bird, otherwise the cost increases by 30%
- Arthur Williams- 8 people going. $400 is the registration which includes 4 free tickets
  - Other funds are for food and transportation
- Evelyn Torsher- How many members are on the E-board?
  - Arthur Williams- 6 E-board members plus 2 young members attend
- Andrew Fischer- We don’t have $4,000, so could you take 4 people plus food and transportation?
  - Arthur Williams- Yes and could ask the Levitt Center for additional funds.
- Alex Hollister- They also missed budget deadline for strategic budgets, which is why they are asking for funds this week.
- Silvia Radulescu- What about fundraisers? You had a really successful date auction last semester… would something like that help fund your trip?
  - Arthur Williams- Those funds are used to help the entrepreneurs get started.
- Andrew Fischer- Let’s vote at the end

- Dance Club-
  - Alex Hollister- Concerned with the proposal
    - Members are going to keep their uniforms, instead of re-using them.
    - Uniforms are from Lululemon, which are expensive
    - SA will pay the cost of embroidery
  - Risa Nagel- Dance Team brings the community together and increases school spirit
    - Also want to look professional while representing the school
  - Xenia Tiajoloff- Dance Team is not funded by Athletics Department
    - We work as hard as a sports team, but don’t see the benefits.
  - Risa Nagel- Dance Team gets a deal through an alumni on apparel
    - Need to look professional
    - Alex Hollister- Can Dance Team become a club team?
      - Xenia Tiajoloff- We’ve tried, but talks have never gone anywhere.
    - Cost comes down to $5 per head per event
    - Silvia Radulescu- When would the uniforms arrive?
      - Risa Nagel- Already put in the order, but haven’t payed for it.
      - Dance Team members already paying expenses out-of-pocket.
Ilana Schwartz- Women’s Rugby raised money for new uniforms. Could you do something like that?
  ○ Phoebe Greenwald- Rugby gets a lot of other funding. There’s a freeze on club sports funding, so new club sports can’t receive funding. We should fund the Dance Team since they are already paying for a lot. We shouldn’t underestimate how much good quality uniforms mean.

Conor Craven- Athletic teams reuse uniforms for years.
  ○ If the quality is so good, can you reuse uniforms?
    ○ Xenia Tiajoloff- No. Each uniform fits a specific dancer.
  ○ Risa Nagel- We receive funding every year.
    ○ Alex Hollister- This should have been a Strategic Budget; we just don’t have enough money left at this point. You can’t use past years as precedent because we have a lot more groups applying for funding, and in previous years, there were other treasurers with various personal interests.
  ○ Andrew Fischer- How much does one complete uniform cost?
    ○ Risa Nagel- About $200 per dancer.
    ○ 3-piece set, 4 years of extreme wear
  ○ Lauren Mulligan- Can we pay for part of it instead of the whole thing?
    ○ Alex Hollister- Total cost is $1,943. Dancers are covering $800, so we are covering difference.
  ○ Elizabeth Ughetta- Could the dancers wear personal black t-shirts instead of the jackets during November games?
    ○ Risa Nagel- Not really. We already have 9 girls with jackets. Everyone would have to buy shirts to match. Wouldn’t look right to have different styles.

Zach Oscar- This is really important, but why have we been scrutinizing these budgets so much when we didn’t do this last week? It's not fair to do this to good budgets.
  ○ Andrew Fischer- Agree in sentiment, but we heavily scrutinized the budgets last week via Funding Committee.
  ○ Zach Oscar- Yes, but Powder Club is getting $8,000 for one weekend.
  ○ Andrew Fischer- Yes, but had this been a Strategic Proposal, we could have considered it more on its merits. Now we’re stuck because we only have so much money remaining.
  ○ Zach Oscar- To Dance Team: Please submit Strategic Budget next year!

Film Production Guild-
  ○ Cesar Renero- Compared to last week, cut budget drastically and included links to all supplies.
The Central Council of Student Assembly, Hamilton College

**STUDENT ASSEMBLY MEETING**
**SEPTEMBER 21, 2015**

- Alex Hollister- Still concerned with high cost.
- Andrew Fischer- Still requesting very over-priced items. Oxygen masks do not cost as much as the proposal suggests.
- Silvia Radulescu- Have you looked at Salvation Army? Still some things on the budget proposal that can be cut. Amazon isn’t always the cheapest source.
- Andrew Fischer- Is fake blood really $15 per bottle?
  - Cesar Renero- Defers to the Film Production Guild representatives.
- Asad Javed- Understand the Amazon problem, but it’s very time-sensitive. Amazon is the best for what we need.
  - Cut 15% from the original budget while still retaining artistic value of film.
- Silvia Radulescu- Is this someone’s thesis?
  - Asad Javed- Yes, but there is a Student Activities component.
    - Once in the past, Student Assembly funded a senior’s thesis. Supplemented by an Emerson grant.
    - No film department on campus, so have been sent from department to department looking for funding.
    - Alex Hollister- Can’t use past precedents to make decisions now.
      - Can’t fund someone’s thesis project but can fund parts of it.
  - Air B&B, Transporation
    - Have other members of the community coming in to act for free
      - If you could fund the science of it- transportation, locations, and equipment that would be awesome
      - This has been in development for 2 years and is a novelty on campus, so this is a really great opportunity for the community.
      - Equipment could go to FPG for future or could go to ITS.
      - Andrew Fischer- Are there any sources from which you could rent?
        - Hesitant buying equipment that will go out-of-date or end up in someone’s room after it’s used once.
        - Asad Javed- Have to rent from NYC, so shipping would be huge cost. Have to get equipment here and back for each weekend of filming.
        - Dolly track is necessary for the sophisticated cameras the film needs.
    - Silvia Radulescu- Are you requesting new cameras or refurbished ones?
      - Asad Javed- Tried to find refurbished where we could.
    - Alex Hollister- New cost just for equipment, transportation, and locations is $2292.22.
    - Asad Javed- Have about 60 people involved in the project.
The Central Council of Student Assembly, Hamilton College

**STUDENT ASSEMBLY MEETING**
**SEPTEMBER 21, 2015**

- **Andrew Fischer-** Are the indicated locations necessary?
  - Asad Javed- Yes. Picked for very specific reasons (i.e. Paintings. One location has paintings on walls integral to the plot of the film.)

- **Lilly Pieper-** Why pick these three categories?
  - Asad Javed- These are 3 categories we absolutely need to make the film.

- **Elizabeth Ughetta-** Fundraise for props and similar expenses. This is a cool cause that people would be interested in helping.

- **Zach Oscar-** Who’s personal project is this?
  - Asad Javed- My thesis, the cinematographer’s independent project, and the composer’s quarter credit class.

- **Ilana Schwartz-** Could you get from the different departments responsible?
  - Asad Javed- We tried. Unfortunately not.

**Social Traditions**
- **Evelyn Torsher-** When is the Citrus Bowl?
  - Ellie Ducommun- December 8

- **Evelyn Torsher-** So can’t take funding out of next semester’s budget?
  - Ellie Ducommun- Correct

- **Conor Craven-** Should keep in mind that these are benefiting more than just the students. For future years should keep in mind that maybe Student Activities Fee isn’t most appropriate source of funds.

- **Jose Olivares- Tailgate-** Should reach out to C&D. Event is during Alumni Weekend.

**Powder Club**
- **Kevin Roback-** Asking to see a movie in order to build the community enthusiasm for skiing and snowboarding during the fall.
  - Relatively lower CPS.

- **Jose Olivares-** Have you had any meetings yet?
  - Kevin Roback- Yes. Had a general meeting. 80 people attended.

- **Zach Oscar-** Cool event, but we already funded Powder Club for $8,000.

- **Alex Hollister-** Can students pay since it’s only about $10 per person? Can Outing Club fund you?

**Alex Hollister-** We could fund events over Winter Break using funds from Spring Semester.
- **Andrew Fischer-** Questionable... We’ll have a different Executive Committee next semester. Don’t want to take from their budget.
  - Let’s pretend that idea didn’t come up. We’ll fund using the money we have left. If we determine that taking some money from next semester is reasonable, we can supplement what we fund tonight.

**Social Traditions**
- **Ilana Schwartz-** Should talk to C&D before we fund $11,000

- **Ellie Ducommun-** The only event that that would apply for is next weekend

- Funding passed as recommended.
Microfinance-
  - Alex Hollister- Could Microfinance receive funding through other sources?
  - Noelle Niznik- Would need a budget and application. Potentially, though.
  - Arthur Williams- Could we get the membership fee? Otherwise cost for conference goes up.
  - Andrew Fischer- Should give $400 plus transportation expenses and food for 4 people.

Andrew Fischer- Final number-crunching
  - Dance Team- Recommend full cost- but need to reach out to other sources in the future
    ■ Funding passed as recommended.
  - Film Production Guild- Will fund equipment costs at $1,294.
    ■ Asad Javed- Need money for transportation.
    ■ Alex Hollister- Requesting approximately $400 for transportation. Only have $200 left to give. We’re out of money.
    ■ Andrew Fischer- Will work with you to get vans when absolutely needed to transport equipment.
  - Powder Club- Suggest they receive transportation costs but not costs of movie tickets.
    ■ No support on Central Council in light of $8,000 passed budget last week.
    ■ Ilana Schwartz- Not fair that Powder Club received so much funding last week, especially when other clubs are asking for one event (i.e. Microfinance).
      ■ Silvia Radulescu- We have the Funding Codes to distribute money fairly. If organizations don’t follow the rules and apply on time, we unfortunately can’t make exceptions.
    ■ Jose Olivares- If we get rollbacks, could those go to Microfinance?
      ■ Andrew Fischer- Yes, definitely.
      ■ Alex Hollister- Microfinance will need to reapply.
  - Hamtrek discussion/vote tabled until next week.
  - No motion to approve Figure Skating.
