## IT’S CLASS AND CHARTER DAY!!! Why can you still read?

### UPPERCLASSMEN THRILLED, UNDERCLASSMEN CONFUSED BY APPLEWAGON PERFORMANCE Show promises to be funkier than KDO armpits

By Mr. Sinton ’13

SONIC MANSERVANTS DANGLING THINGS DEPT.  
(CELESTIAL JELLYFEST) Described alternatively as  
“if Frank Zappa had a baby with someone who insisted  
that baby get a good liberal arts education” and “Sly & the  
Family Stoned and Cross-Dressed,”  
used-to-be-a-big-deal campus band  
Applewagon will be opening the  
Class & Charter Day show, since  
CAB ordered a case of nice beer and  
ended up with a horrible rapper.

It’s like seeing them  
for the first time  
all over again!

This move, though lauded by  
upperclassmen nostalgic for non-  
creepy hook-ups with freshmen  
girls and young Darksiders straight  
frontin’ for hepcat credibility, has  
left many perplexed.

“Fuck good music!” Tim Bro-  
man ’12 aggressively wailed. “Why do I have to *wait* to  
hear mashups of pop-songs and then drunkhump to the  
Neanderthal rhymes of Sammy Adams? Hood recognize  
hood! We both be reppin’ Beantown\*! LOUD WORDS,  
MOTHAHFUCKKKAAAHHHH!”

Many sophomores and freshmen joined the cho-  
rus of pre-White Panda bamboozlement. “My entire

Dunham quad has no idea who these guys are...” future  
Bundy resident Paul Bennett ’14 kvetched. “They have a  
Myspace and look like Brooklyn. One is wearing a dress?”

Other youngins were ecstatic. “My entire Dunham  
quad has no idea who these guys are!” future Major resi-  
dent Ben Paullett ’14 jizzed. “They have a Myspace and  
look like Brooklyn! ONE IS WEARING A DRESS!”

Seniors universally expressed their excitement. “This  
Steadyfreak is DTF\*\* and gonna be Burnin’ The Candle!  
Bring it, FruitCart!!!” Julia Cho ’11 slurred only thirty  
minutes after her thesis presentation was over. Further  
research indicates that said candle may be vernacular for  
some sort of marijuana delivery device.

When reached for comment, lead singer Dave Mo-  
roney ’09 was naked.

*\*Both claimants to be “reppin’ beantown,” like most kids using any  
variation of that statement on the hill, are actually reppin’ Boston’s  
45-minute commuter radius. Yay, Acton!*

*\*\*Down To Funk. Jeez, what were you thinking?*

### JELLO STOCKS SHOT UP AFTER STUDENTS STOCK UP ON JELLO SHOTS

*Rather than be sober enough to do on-the-spot reporting this Class and Charter Day, The Duel has decided to once more leverage the  
power of madlibz\*.*

QUIZ: JUST HOW DRUNK ARE YOU?

By Ms. Ryder '11

1. What time did you wake up this morning?  
a. 8:30—gotta get up early for my last day of classes!  
b. Wake up? I'm still going from last night!  
c. I took some Adderall at sunrise, so I'm good.

2. How much have you had to drink?  
a. Several cups of coffee, a Monster energy drink, and pride.  
b. The tally marks on my arm written in human blood say 14.  
c. Well, I didn't *drink* alcohol...but I did inject it into my blood stream via hypodermic syringe...

3. Who does this person look like to you?  
a. Diane Keaton, I LOVE *Something's Gotta Give*!  
b. JOOOOANIE!  
c. It looks like a pirate robot alien with three heads, but that might be the acid talking.

4. Where are you?  
a. Watching HamTrek! I love seeing everybody in

- their running shoes!  
b. I honestly don't know.  
c. Death Valley, but I'm hallucinating that I'm in Clinton.

5. What time is it right now?  
a. Time for me to go to the library to get a head-start on exams!  
b. SHOTGUN 0'CLOCK!  
c. If you think about it, time is really a social construct propagated by Rush Limbaugh and Campus Safety and soup.

If you got mostly A's:

Seriously, did you have a presentation today or something? WHY ARE YOU STONE COLD SOBER?! DRINK SOMETHING RIGHT NOW!!!!

If you got mostly B's:

Dude, you are so wasted. Congrats.

If you got mostly C's:

Considering the number of drinks you've had today is significantly lower than the number of drugs you're on right now, you might want to take a chill pill. Yes, the pun was intended, and yes, I am ashamed of myself for writing it.
